VERIFIED STATEMENT OF RUBY AGUIRRE

Dear Sir:

I, Ruby Aguirre, hereby state as follows:

1. I am and have been the only Docketing Clerk for the Intellectual Property Section of the Houston, Texas office of LOCKE LORD BISSELL & LIDDELL LLP (formerly LOCKE LIDDELL & SAPP LLP) since at least June of 2007.
2. One of my responsibilities as Docketing Clerk is to receive, process, and docket correspondence from the United States Patent and Trademark Office in LOCKE LORD BISSELL & LIDDELL LLP's electronic docketing system.
3. Correspondence from the United States Patent and Trademark Office addressed to the Houston, Texas office of LOCKE LORD BISSELL & LIDDELL LLP (formerly LOCKE LIDDELL & SAPP LLP), Attn: IP Docketing, is automatically routed to me for processing.
4. On or about June 18, 2007, I received, processed, and docketed an Issue Notification for the above-referenced application, attached as Exhibit 1, indicating that an original Letters Patent would be issued on June 26, 2007.

5. However, as of today's date, and after a thorough and diligent search, no evidence has been found to indicate that the original Letters Patent was ever received, as shown by the lack of a docket entry for the Letters Patent on the docket sheet of the above-referenced application, attached as Exhibit 2 (see the second-to-last page, after the entry for the Issue Notification (highlighted)).

6. I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
